When you are considering making a donation or a qualified charitable distribution, please donate to the Friends of the Ukiah Valley Library. Your donation would be most welcome.

The Ukiah Valley Library, supported by the Friends, is an extraordinary community organization, providing programs for children, teens, families, and adults. Ukiah Valley patrons can select material from 25 libraries in the tri-county system. There is something for everyone at the library: Internet access, printers, a 3D printer, the Seed Library, live music, Children's Storytime. Our library serves approximately 450 people a day (about 9,000 a month).

The Ukiah Valley Library was designed and built in the 70's. The uses and needs have changed a lot since then. The current building is 14,000 square feet (11,000 available for public use). A recent Needs Analysis concluded that a library for our population should be 20,000 square feet available for public use.

The next step is a Feasibility Study to determine the best way to achieve a larger library. Join the FOL, and we'll keep you informed every step of the way.

You can help us fund the expansion by donating, becoming a member, or including us in your estate planning. Consider contributing to the FOL endowment fund. By including the Ukiah Valley Friends of the Library in your living will or trust, you are helping to ensure the long-term stability of our library. Thank you for helping us keep our promise to support and fund our library.

Friends of the Library Q&A:

Is my library card the same as a FOL membership?

Your library card is not a membership in the FOL. The FOL is a separate organization. The dedication of the Friends allows the Ukiah Valley Library to offer services otherwise beyond its county funding, and helps assure our Library's future success.

How can I contribute?

Become a FOL member by filling out the form provided or go to UkiahLibraryFriends.com, click on Donate, and pay with your credit card on PayPal.

Mission Statement:

The purpose of the Friends of the Library is to generate community interest and support for library services and facilities, and to promote and encourage charitable gifts.

Friends of the Ukiah Valley Library is a 501c3 nonprofit. Tax ID: 94-2659875 EIN

The greatest work is shared work. When we gather together, and work towards a mutual goal, our common work and commonwealth is enhanced individually and collectively.

Therapy dog at the library spreading joy

Libraries foster civil society by offering free and equal access to factual information and promoting conversations and debate about issues. Libraries celebrate differences and welcome all people on an equal footing.

The Mendocino County Library encourages a safe, inclusive space to foster a sense of belonging. As a government agency, it is secular and seeks to foster an environment of non-discrimination. The goals are to facilitate freedom of access to information through free lending of materials, to empower our community by providing programs that engage and teach new skills, and to create a space where everyone feels welcome.
